

# Fish & Wildlife Projects

Projects approved for implementation April 1, 2017 to March 31, 2018.

The Fish & Wildlife Compensation Program is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations and Public Stakeholders to conserve and enhance fish and wildlife impacted by BC Hydro dams.

1) These approved budgets are to support the delivery of fish and wildlife projects, and do not include the FWCP administration or communications budget. See project lists at fwcp.ca for more information about projects approved for 2017 - 2018.

2) The total number of projects approved for 2017 - 2018 includes budgets approved for future work this fiscal year to be further defined by the regional Boards (i.e., directed projects).

3) The Upper Kootenay Ecosystem Enhancement Plan (UKEEP) was jointly announced by the FWCP and Columbia Basin Trust in May 2013, along with \$3 million from the Trust.
