## News from our Coastal Region September 2018

---

### Apply for a fish or wildlife grant by October 26

Don't delay - start the process soon if you are planning to submit a grant application to deliver a fish or wildlife project in one of [14 watersheds](#) in our Coastal Region. Remember the project must align with one of our updated [Action Plans](#), and that your online grant application must be received by 5 p.m., Friday, October 26, 2018. [Learn more](#)

### Steps to submitting your grant application

Applying for a grant? Start here:

1. read our [2018 Grant Application Info Kit](#);
2. review the Priority Actions in the Watershed Action Plan of interest to you;
3. develop a project idea to fulfill a Priority Action in any Action Plan(s);
4. login to our [online grant management system](#); and
5. submit your completed online grant application by 5 p.m., October 26.

We're here to help. Please email our Coastal Region Manager, [Julie Fournier](#), or call 604-528-7998.

### Rivers Day this Sunday

The FWCP is a proud supporter of the Ridge Meadows Rivers Day, this Sunday September 23, hosted by Alouette Rivers Management Society. Join them for the 25th anniversary of this free, family event at the Allco Fish Hatchery in Maple Ridge. [Read more](#)

## Eulachon being studied in the Falls River Watershed

Eulachon is the focus of attention in a project in the Ecstalls and Lower Falls rivers near Prince Rupert. It is led by the Lax Kwa'alaams Fisheries Society and funded by the FWCP. The goal is to assess Eulachon population and habitat conditions in the rivers, and determine if the watershed could benefit from a habitat restoration plan to sustain and increase the population. [Read more.](#)

## Community Engagement Grants

Don't forget that we have funds available through our [Community Engagement Grants](#). If you have an idea, or a project in the works, that will benefit fish and wildlife, especially if it involves volunteers, then [contact us](#). You could be eligible for up to \$1,000.

## Read our reports

As of the beginning of September, our list of [reports online](#) has been updated. Please [contact us](#) if you can't find what you're looking for.

The **FWCP** is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations, and Public Stakeholders, to conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.
