

Grant applications due October 30 October 2020

Apply now for fish and wildlife grants

Our annual intake of grant applications for fish and wildlife projects closes soon! You've got until 5 p.m. PDT on Friday, October 30, 2020, to submit your grant application. We fund research, habitat- and species-based actions, research, monitoring, and land securement projects that align with priority actions in our action plans. See our [Coastal](#), [Columbia](#), and [Peace](#) region action plans

[Learn more](#) about the grants we offer, the projects we fund, how we evaluate grant applications, and how to apply. Read our [information kit](#) and our [grant requirements and guidance documents](#). If you missed our recent online information sessions, [watch the videos](#).

[Contact us](#) anytime to talk about your project idea.

Reminder: to submit a grant application in our Peace Region, you must have submitted a notice of intent by September 11, 2020.

How to apply for an FWCP grant

1. Review our regional [action plans](#).
2. Develop a project idea to fulfill a priority action in any action plan.
3. Login to our online grant management system at fwcp.ca/apply-for-funding.
4. Start your online grant application, and submit it by Friday, October 30, 2020 at 5 p.m. PDT.

Who can apply?

Any group or individual that can meet our mandatory requirements (i.e., WorkSafeBC and commercial general liability insurance) is eligible for an FWCP grant. First Nations; municipal, provincial, and federal agencies; stewardship groups; consultants; and educational institutions have been approved for FWCP grants in the past. Read our project lists.

The FWCP is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations, and public stakeholders to conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.
