Start here: what is a progress report task?

Progress reports and progress statements of accounts are optional for Large Grants and Small Grants. Progress reports are an excellent way to keep the FWCP informed about your project.

A progress report **and** a progress statement of account must be submitted and approved by FWCP staff in order to trigger the optional second payment.

The main project contact and any collaborators on the project will have access to the progress report task. For the purposes of these instructions, the contact or collaborators will be referred to as "the proponent" or "you."

If you have initiated a change request that has not been approved yet, the system will no longer allow the creation of a progress report task. The change request must be approved or deleted before a progress report can be initiated. If you want your change request deleted, please contact us at fwcp@bchydro.com or 604-528-8136.

CREATING THE PROGRESS REPORT TASK

3. Next, click the green “Open” button beside the appropriate project.

APPLICATIONS **GRANTS**

These are grants that are 'Approved' (Contribution Agreement not sent out yet), 'Offered' (Contribution Agreement sent out to be signed) or 'Awarded' (Contribution Agreement fully signed). 'Awarded' grants can come to be 'Completed' (project is finished) or 'Cancelled' (project was halted). The most common tasks on grants are as follows:

1. To view your grant, use the 'Open' button.
2. To submit an optional Progress Report for a 40% payment, for small or large 'Awarded' grants, use the 'Progress Report' button. Once initiated, tasks will be found on the 'Project Reporting' menu item.
3. To request a change (scope, budget, schedule) to your 'Awarded' grant, use the 'Change Request' button. Once initiated, tasks for these will be found on the 'Change Request' menu item.
4. To submit the mandatory Final Report on your 'Awarded' grant, use the 'Project Reporting' menu item and locate the final report and final statement of account tasks for the grant.
