

Peace Region News March 2021

Join our Peace Region board: apply by April 16

We're looking for a new public representative to join our Peace Region board for a three-year term starting in June 2021. As a board member, you will share in decision-making about projects to help conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams. Apply by Friday, April 16, 2021. Read more.

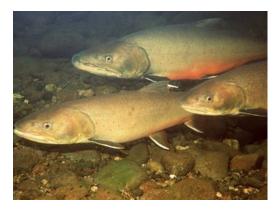

Join us for free online presentations from our Peace Region

March 10: Restoring connectivity in rivers and streams

Conservation biologist Dan Kraus will explore habitat fragmentation in aquatic ecosystems, and some of the challenges and opportunities of reconnecting rivers and streams.

March 24: Genomic analysis of char fish species

Join Dr. Eric Taylor to find out how genomic analysis is shedding light on our understanding of char fish species. Genomic analysis is also informing fish passage decisions and monitoring for bull trout.
