

News From Our Peace Region September 2017

Submit your Notice of Intent now for fish and wildlife grants

Don't miss this chance to [apply for a Fish & Wildlife Compensation Program grant](#). The first step is to [submit a mandatory Notice of Intent](#) by Friday, Sept. 8, 2017. This short project description will take just a few minutes to complete and submit online. It will help us support you to develop a grant application due October 27, 2017. Learn more at [fwcp.ca](#). Read our [grant info kit](#).

Priority Actions are eligible for an FWCP grant

We fund projects that align with our Priority Actions in our Action Plans. The Priority Actions fall into five broad categories: habitat-based actions; species-based actions; research and information acquisition actions; monitoring and evaluation actions; and land securement.

Its easy to apply for an FWCP grant

1. Review the [regional Action Plans](#) of interest to you.
2. Develop a project idea to fulfill an action in any Action Plan(s);
3. Login to our online grant management system at <http://fwcp.ca/apply-for-funding/>
4. Submit your mandatory Notice of Intent by Sept. 8, 2017, 5 p.m. PDT (Peace Region only);
5. Start your online grant application;
6. Fulfill all mandatory requirements; and
7. Submit your grant application Friday, October 27, 2017, 5 p.m. PDT.

[Contact us](#) if you have any questions.

Guidance for Arctic Grayling projects

If you're interested in Arctic Grayling projects, read our [synthesis report](#) and [monitoring framework](#). Grant applications for projects to conserve and enhance Arctic Grayling in our Peace Region must align with monitoring needs in the synthesis report and monitoring framework.

Talk to our Peace Region Manager

Please contact our Peace Region Manager, [Chelsea Coady](#), to discuss your project idea for a grant application.

Read our reports

We post and share all [final project reports](#) so the results and lessons learned are available to everyone. We're updating our library often as new reports are finalized. [Contact us](#) if you can't find what you're looking for.

The FWCP is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations, and Public Stakeholders, to conserve and enhance fish and wildlife impacted by existing BC Hydro dams. Read more at fwcp.ca
