

The Fish & Wildlife Compensation Program is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations and Public Stakeholders to conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.

1) The total number of projects approved for 2018-2019 includes project placeholders to be further defined by the regional Boards (i.e. directed projects).

2) The \$10 M reported above does not include annual FWCP administration and communication allocations.

3) The five-year Upper Kootenay Ecosystem Enhancement Plan (UKEEP) was jointly announced by the FWCP and Columbia Basin Trust in May 2013, along with \$3 million from the Trust.
