

Northern Spotted Owl webcam

Canada's most endangered owl: watch the chick now!

Looking for something to put a smile on your face? Then go to our live-streaming owl webcam at fwcp.ca/owlwebcam/ we're providing in partnership with the Northern Spotted Owl Breeding Program in Langley, B.C.

This captive breeding program will help this endangered owl recover and is one of 118 fish and wildlife projects the FWCP is funding in our [Coastal](#), [Columbia](#) and [Peace](#) regions. [Subscribe](#) to learn more about the projects we fund and how you can apply for a grant.

The FWCP is a partnership between BC Hydro, the Province of B.C., Fisheries and Oceans Canada, First Nations and Public Stakeholders to conserve and enhance fish and wildlife in watersheds impacted by BC Hydro dams.
